Entries in this publication generally relate to events that have occurred over the previous 6 days. Personal details of individuals related to our dealings are not disclosed, in compliance with the Data Protection Act (1998). If you have any further queries, please email the team, and we will get back to you.

COVID – 19

COVID is still a highly spoken about topic, and us at West Bromwich Neighbourhood Team are still doing our utmost to enforce mask wearing, social distancing and gatherings in an attempt to reduce the spread.

An example of the above was when PC's were called out to a disorder at a store, only to find out it was over a male not wearing a mask! The male was given some advice regarding COVID restrictions and told not to return to the shop.

Regular patrols

West Bromwich Neighbourhood Team are still regularly patrolling hotspot areas in order for us to tackle drug dealing and knife crime. Multiple stop searches have taken place where appropriate.

As well as stop searches, regular weapon sweeps are being done in order for us to ensure none are being hidden around West Bromwich for use in the future.

Busy Afternoon...

PC's from West Bromwich NHT have arrested a male who was wanted in London! The male was arrested for burglary offences and failing to appear, he was then dealt with accordingly.

On the same day, our PC's have also assisted in finding a missing person! There were no worries with them and they could go about their business whilst the relevant people were informed that he has been found safe.

Domestic Violence

West Bromwich NHT have arrested a male who was wanted for threats to kill in a Domestic Violence related incident. After attempting 4 different addresses, officers found out the persons work address and manage to arrest them for their offences.

Male locked up – positive outcome...

PC's have arrested a male for public order offences this week after using foul language towards members of the public.

However, from this, the male agreed to partake in a drugs intervention course to help himself for the future, overall a positive outcome as we are helping them get their life back on track.

Vehicle crime

Officers have been busy this week as they have seized a vehicle for no insurance after it was spotted driving around West Bromwich, the vehicle was taken away from the owner ensuring there was no further issues to occur later in the night!

Youths on Motorcycles

A 14 year old juvenile was witnessed by officers on a motorcycle, riding it off-road through Greet's Green Park and field. This was a reoccurring incident for the residents and officers tirelessly worked to catch who was responsible.

The 14 year olds Motorcycle was seized and the juvenile will be dealt with accordingly for causing these issues repeatedly. The youth was responsible for causing ASB repeatedly on the Greet's Green area and will also be facing consequences for this too.

Cannabis Seized

Our officers have noticed a male sat in a parked car smoking. Upon further inspection, they have believed it to be cannabis, and it was! A search was conducted and a roll up of cannabis was found, which is what the person was smoking.

The male was asked if he would like to attend Cranstoun to help and advise him about smoking cannabis, he however declined this offer, and is therefore facing a trial to enquire why he had this cannabis on his persons.
