Naughty list added to on Christmas Eve!

Christmas Eve was a busy time for West Bromwich Neighbourhood Team as we have interrupted somebody from making “special deliveries” of Class A drugs! The male has been spotted earlier on by officers in a vehicle, which has then driven off at speed. It was seen again later on that evening. The male has parked the vehicle up and attempted to walk away before officers have stopped him and kept him occupied. A quick search nearby the vehicle has found the key and a small tub with Class A drugs inside! A quick search inside of the vehicle was performed and an Axe was found! The person was arrested for possession of cannabis and possession with intent to supply Class A, driving while unfit through drugs and possession of an offensive weapon Overall a great team effort from West Bromwich NHT.

COVID Update

Birmingham has stayed in Tier 3 for the time being, meaning COVID restrictions and rules are the same as before.

West Bromwich NHT have still been out on foot throughout the Town Centre as much as possible, ensuring social distancing is being followed and face masks are being worn in shopping centres.

Christmas Day

PC's from West Bromwich Neighbourhood Team were still working hard on Christmas day. They were firstly called to COVID breaches, including a Wedding! Many people were spoken to and advised about COVID rules, ensuring everyone was aware of what can or can't be done, before sending people home.

Not only was there COVID breaches, but also an arrest for affray after a call to police which was responded to quickly and professionally by our PC's.

Drugs Warrant

A drugs warrant was conducted during the week by West Bromwich NHT PC's. During this warrant, we have seized what appears to be synthetic cannabis, large amounts of cash and various other items that could possibly be used for the cultivation of drugs.

New Years Eve

New Years Eve was a busy day for the West Bromwich Neighbourhood Team!

The day began with a PCSO acting on information gathered from the day before regarding a stolen van. A bit of luck that a report had come in as it was blocking a drive, however we quickly turned out to assess the vehicle which was confirmed to be stolen, therefore allowing us to seize it.

The day then continued shortly after as a vehicle had been making off from PC's at speed. Only 5 minutes later it was located nearby with a damaged front wheel and half parked on the curb. Officers have looked closely inside of the vehicle and spotted a small tub and bag in the drivers side door. A search of the vehicle was conducted and found to have bags of cannabis inside! The vehicle was then seized and taken away.

Festive Spirit!

West Bromwich NHT PCSO's have been feeling festive over Christmas by delivering a couple of Christmas cards to vulnerable adults in West Bromwich. We have been keeping close contact with these adults in order for us to help them during the Corona Virus lockdowns as times can be lonely, so even a quick visit every so often can make their day!

If you know of anybody that would benefit from a visit from West Bromwich NHT during lockdown then feel free to contact us!

Social Media

Twitter and instagram are constantly being updated with what we do throughout the week, please follow us!!

Wanted male

On the 23/12/2020, West Bromwich NHT PCSO's have spotted a wanted male walking about. This male was not willing to stop for us and started running! We thought it was best to follow this male at a safe distance until Police Officers arrived to arrest him. Another wanted male off the streets courtesy of the Neighbourhood Team!
